VOLUNTEER SCREENING AT LAUMC: Application

Dear LAUMC Youth Ministry Volunteer,

Thank you for volunteering to work with the high school and junior high school students of our church through LAUMC Youth Ministry. Your commitment to our young people makes this program possible.

At LAUMC, we proudly offer a safe, secure, and caring environment for our youth and in doing so ask that all adult volunteers who work with children and youth complete our new online volunteer application, background screening authorization, and internet-based child abuse protection training. LAUMC is partnering with *ProtectMyMinistry.com* to offer online volunteer background screening through a national database. Attached is a letter from our Managing Director of Operations, Becky Everett, with details about this new policy.

If you have not already completed this online process as part of another LAUMC volunteer assignment, please click [here](#) or enter www.ministryopportunities.org/laumc into your internet browser to begin your application.

Once your application and screening have been completed, you will be sent an email invitation to a short 50-minute online child safety awareness training module. Please complete this prior to assuming your volunteer role.

If you anticipate driving children or youth for any church-related activities, you must also complete the Drivers Application section of the online form.

Thank you for supporting us in this important effort.

In faith,

Carol Damonte
