

**Mexico Mission Trip 2010**  
**Hotel Accommodation Preference Form (optional)**  
**Due ASAP but not later than 2/28/10**

The cost of the hotel accommodations for our two nights in San Diego has been included in the cost of the trip. In order to keep the cost within budget, we need to try to fit into as few rooms as reasonable.

Although we may not be able to grant all requests, we'd like to know your preferences so that we can try to accommodate them. Please turn in the form below if you'd like to let us know your preferences.

I'd like my kids to be in the same room with me/us.

I'd like my teens to be in a room with other teens of the same sex.
